SAFER INTERNET DAY <https://www.saferinternet.org.uk/>

This week in school all the classes have done an activity designed to help them stay safe when using the internet. As adults we have our role to play, a useful checklist is:

- Do I know who my child is communicating with on the internet?
- Is my child playing age appropriate games?
- If I allow my child to have social media (What's app, Instagram etc,)do their accounts have the highest privacy setting?
- Do I know what content my child is accessing?—Remember sites like Youtube have lots of fun stuff, but some very inappropriate material too.
- Am I happy with the amount of screen time my child has?
- Does my child spend more time with real people than in the virtual world?

Technology is fabulous and opens up a whole world for our children, but nothing is more important than their safety.

Homework Club is starting in St John's Church (on the corner) on Wednesday 27th February. Parents and children are welcome between 2.00 and 4.00pm.

Please make sure all children are bringing warm coats to school.

Remember the doors open at 8.45, please do not arrive too early and have a long wait in the cold, but also try to be on time so the children have the best start to their day.

What a treat!

The children in P4 and P5 had a wonderful day on Thursday when Aunt Sandra's Candy factory came to school. They learnt more about their topic of chocolate, and also enjoyed making chocolate pizzas. Thanks to Friends of Rosetta for subsidising the cost of this.
